

## Get Involved at the PAGE Conference!

#### **Exhibitor Tables:**

Secure an exhibitor table to highlight your products, services, resources, and tools. Engage with attendees during dedicated times throughout the conference and events to build long-term relationships to benefit gifted kids, teachers, and families.

#### **Sponsorship Packages:**

Peruse the various sponsorship options created to specifically meet your needs. Keynotes, workshops, events, awards, food, and so much more to choose from this year to demonstrate your commitment to meeting the needs of gifted learners, teachers, schools, and families.

### **Customized Opportunities:**

Can't find exactly what you are looking for or need something to meet your budget needs? We are always interested in getting creative with you to ensure the engagement level you are looking for during the conference.

For inquiries or custom partnership opportunities, please contact the conference chair, Kali Fedor, <a href="kfedor@giftedpage.org">kfedor@giftedpage.org</a> and our administrative assistant, Kacey Shoupe, <a href="kshoupe@giftedpage.org">kshoupe@giftedpage.org</a> to discuss options.

We are using an app this year!

Make sure to check out the Whova Exhibitor & Sponsor Guides!

All sponsors receive:

- Logo listed in the event app
- One free item in the swag bag

\*Unless otherwise noted, sponsors do not need to attend the conference in-person to participate as a sponsor. If you select a sponsorship that denotes included conference attendee, you can gift that registration to teacher or parent. We retain a list each year of participates who reach out looking for scholarships to defray the cost of attendance.
